Isabella County Medical Care Facility (ICMCF) COVID-19 Response

To our staff, residents, families and visitors;

Today we have been notified of one employee with a positive COVID 19 test result. Any resident or staff who had direct contact with this individual have been notified.

ICMCF does not have any residents ill with positive COVID test results or related symptoms.

Guidelines require us to put visitor restrictions in place. Indoor visitation is suspended at this time. We hope to lift those restrictions once testing of residents and staff is completed and pending those test results. During this time, scheduled window or virtual visits are available. To make an appointment, please call Deb Nartker at (989) 779-5558.

Thank you for your understanding and patience.

Sincerely,

**Alissa Haynak, LNHA
Administrator**

**Amber Carll, RN
Director of Nursing**
