**Isabella County Medical Care Facility (ICMCF) COVID-19 Response**

To our residents, families and visitors;

We have been notified of two positive COVID-19 employees. If your loved one was directly affected you will be personally notified by our nursing team.

Please try to keep in mind, positive or negative tests do not change our practices and protocols in the need to protect staff and our residents. ICMCF continues to have extra precautions in place, including universal PPE source control and increased infection control processes.

Please protect yourselves, assume that everyone you come in contact with is infected; wash your hands, maintain social distancing, monitor yourself for symptoms and seek medical advice if necessary.

We continuously pray for everyone effected by this virus. We appreciate each of your support during this difficult time.

Sincerely,

**Alissa Haynak, LNHA  
Administrator**

**Amber Carll, RN  
Director of Nursing**
