Isabella County Medical Care Facility (ICMCF) COVID-19 Response

To our residents, families and visitors;

Today, we have been made aware that one staff member tested positive for COVID. If a resident or staff member is directly affected, they will be contacted personally by the facility.

ICMCF does not have any residents ill with positive COVID test results or related symptoms.

We do remain closed for visitation in resident rooms. Window and outdoor visits can be scheduled by contacting Deb Nartker, at 989-779-5558.

Thank you for your continued patience.

Sincerely,
