**Isabella County Medical Care Facility (ICMCF) COVID-19 Response**

To our staff, residents, families and visitors;

As of today, we have been notified of a new positive COVID-19 employee. Any resident or staff who had direct contact with this individual have been notified.

It is with a very heavy heart ICMCF must temporarily suspend our outdoor visitation until we complete a 14-day period with no positive cases. All residents and staff completed weekly testing today.

Gratefully, we can continue our window visits. Window visits can be scheduled through our Activity Department at (989) 779-5526.

This pandemic continues to bring expected challenges and we will continue to overcome them. We are thankful for your support.

Sincerely,

**Alissa Haynak, LNHA  
Administrator**

**Amber Carll, RN  
Director of Nursing**
