**Isabella County Medical Care Facility (ICMCF) COVID-19 Response**

To our staff, residents, families and visitors;

This week we have no new positive Covid-19 residents or staff.

The Michigan Department of Health & Human Services and the Centers for Medicaid & Medicare Services have both issued guidance on indoor visitation. The facility is working through to develop processes for this and information will be given as soon as possible. ICMCF is still under restricted visitation in accordance with the guidance as we need to have 14 days with no positive Covid-19 residents or staff. Additionally, our county positivity rate continues to be too high to allow indoor visitation.

We appreciate your patience as we continue to navigate this pandemic together.

Sincerely,

**Alissa Haynak, LNHA  
Administrator**

**Amber Carll, RN  
Director of Nursing**
