**Isabella County Medical Care Facility (ICMCF) COVID-19 Response**

To our staff, residents, families and visitors;

Today we have been notified of a new positive COVID-19 employee. Any resident or staff who had direct contact with this individual have been notified.

ICMCF does not have any residents ill with positive COVID test results or related symptoms.

Outdoor visitation restrictions will remain in place. Thankfully, we can continue our window visits and video, and they can be scheduled through our Activity Department at (989) 779-5526.

The positivity rate continues to be high in our area. Please protect yourselves, assume that everyone you come in contact with is infected; wash your hands, maintain social distancing, monitor yourself for symptoms and seek medical advice if necessary.

We appreciate your patience as we continue to navigate this pandemic together.

Sincerely,

**Alissa Haynak, LNHA  
Administrator**

**Amber Carll, RN  
Director of Nursing**
