

STUFF THE STOCKINGS

This holiday season, let's bring some joy & cheer to our residents!

This time of year can be difficult—especially during a pandemic.

To bring some cheer, each resident will receive a stocking to hang outside their door, and throughout December we'll be filling it with gifts!

ICMCF is looking for new, unwrapped items to be donated to stuff the stockings!

These items may include: Lotion, deodorant, body wash, perfume, cologne, tissues, individually packaged candy and snacks, art supplies, puzzles, word puzzles, jewelry, ornaments, books, gripper socks, lip balm, stuffed animals, magazines, pens, writing pads, stationary, stamps, etc.

You can choose to donate one item, or items for up to 90 residents.

We're thankful for anything provided.

Items can be dropped off at ICMCF's main entrance -

Isabella County Medical Care Facility

1222 North Drive, Mt. Pleasant, MI 48858

We'd like to have all donated items by Tuesday, Dec. 22.

Question? Call Jessica McDonald, Activity Director, at 989-779-5526.

Thank you for your assistance with providing a happy holiday season to our residents!
